Dear Sir/Ma'am,

I am writing to express my interest in Engineer II position posted recently in Jobstreet.com. I believe my education and strong technical experiences in various trades of engineering will make me a very competitive candidate for this position.

I am a Registered Electrical Engineer, experienced in Project management, Site supervision and Design in the field of Electrical, Mechanical, Civil, Plumbing, Electronics and Fire Alarm System.

Below the summary of my accomplishments:

1. Construction of Housing, evacuation centers and Municipal Halls in Eastern Samar acted as Site Engineer.
2. Construction of New Power Center Building in Bangko Sentral ng Pilipinas – M.E.P.F Engineer.
3. Handled In-Plant Electrical Works at Energy Development Corporation- Leyte Geothermal Plant acted as Project and Testing Engineer.

I would greatly appreciate the chance to arrange an interview to discuss the job opportunity and my contribution I could make to your organization. Please find my CV enclosed for your reference and other documents as required.

I look forward to hearing from you.

Sincerely,

Christian Byronn A. Alverio
