Department Head, Department of Teacher Education
Visayas State University

Dear Sir

Greetings with peace!

It is a great pride and honor that I am expressing my profound interest to apply for a part-time Faculty teaching position in your reputable institution.

I received my Bachelor degree of Secondary Education major in **SOCIAL STUDIES** from Ateneo de Naga University College of Education last October 2008 and passed my Licensure Examination for Teachers in the following year. Moreover, I also finished my Masters of Arts in Education major in Instructional Management recently at Partido State University. I also held a part-time teaching position in Central Bicol State University of Agriculture last 2010 to 2013 specializing in BEED general subjects and also recently I also took a teaching position in Partido State University handling Social Studies major subjects.

As a teacher, I am optimistic that students will discover their actual fortes and abilities as I provide a learning environment that engages their eagerness to discover things, to learn independently, to be critical thinkers, and to be confident in their own self while fostering cooperation among their classmates.

I understand how vital education is, as the foundation of the future teachers to achieve their goals in any undertaking set before them. This is why my greatest goal is to prepare the students for the reality of the teaching profession and help them blossom into well-rounded, responsible and successful teachers in the near future.

I believe that my knowledge, skills, expertise, combined with my work ethics, and strong devotion to educate students would be of great service to your institution as a whole.

I look forward, with great anticipation, to hearing from you and discussing many ways in which I can make a significant contribution to your highly acknowledged school. You can reach me at my Cell phone number **09104159431** or my email address at **ralph.navelino@gmail.com**

God bless and thank you.

Respectfully yours,
