Dear Sir:

Greetings!

I am writing to express my interest in applying as a **part-time instructor** at the **Institute of Human Kinetics**. With nearly **five years of teaching experience**, a strong foundation in human movement, and a deep passion for sports and dance, I am confident in my ability to contribute effectively to your academic team.

I earned my Bachelor's degree in **Bachelor of Secondary Education Major in MAPEH** and graduated in **June 2019**. That same year, I obtained my license as a **Licensed Professional Teacher**, further strengthening my qualifications as an educator. Over the past years, I have had the opportunity to teach and coach students in various areas of physical education, including team sports, individual sports, rhythmic activities, and fitness programs.

My background is not only rooted in academics but also in **practical, skill-based instruction**. I possess extensive experience in **sports training, coaching, and dance choreography**, having participated in and facilitated numerous school-wide and community-based activities. These experiences have helped me develop a student-centered teaching style that fosters discipline, teamwork, and a lifelong appreciation for physical activity.

I am eager to bring my knowledge, enthusiasm, and dedication to your esteemed institution and help develop well-rounded and physically literate students. I am confident that my blend of formal education and real-world experience makes me a strong candidate for the role.

Attached are my resume and supporting documents for your review. I am looking forward to the opportunity to discuss how I can contribute to the mission and vision of the Institute of Human Kinetics. Thank you for considering my application.

Sincerely,

Michael Anfernee A. Gorre
