LILIAN B. NUÑEZ

Head, Barangay Integrated Development Approach for Nutrition Improvement
Visayas State University
Visca, Baybay City, Leyte

Dear Madam Nuñez,

Good day!

I am writing to express my interest in the position of Science Research Specialist I, under the Barangay Integrated Development Approach for Nutrition Improvement, Visayas State University - Main and a salary grade of 13 (Php 32,870.00). In line, I graduated from Eastern Visayas State University (main campus) with a Bachelor of Science in Statistics, and I am eager to learn and grow my skills within your institution.

Throughout my academic career, I have learned various statistical methods, how to handle data, and research skills. My coursework equipped me with the ability to accurately gather and organize data. Additionally, I was honored to receive the Excellent Researcher Award for my thesis, which reflects my dedication and hard work. Furthermore, I gained experience working under contract as a Statistical Researcher for the Third Quarter Crops Production Survey with the Philippine Statistics Authority – Leyte.

I am particularly interested in this position due to my desire to expand my knowledge in other fields and in Statistics. I am confident that my skills, attention to detail, and commitment to excellence will enable me to make a meaningful impact in any role I undertake. I am also confident in my ability to interact with diverse individuals while maintaining the integrity of collected information according to ethical standards.

Enclosed are my Personal Data Sheet and a copy of my Transcript of Records, along with other necessary documents, which provide further details about my educational background and achievements. I would welcome the opportunity to discuss how my skills and knowledge align with the needs of your team.

Thank you for considering my application. I hope you have a great day.

Sincerely,

ANTHON MIGUEL ELORCHA CABILING
