Dear Ma'am/Sir:

I was pleased to be informed about the hiring of instructors in the Department of Arts, Languages, and Literature at Visayas State University (DALL).

I am a graduating Bachelor of Secondary Education major in English at the same university. DALL is my dream department to be worked on from the day I first stepped on the grounds of former DLABS.

I can see myself working here and imparting my knowledge to the students, particularly in literature and creative writing, which aligns with my expertise as a fellow of different regional and national workshops such as the 2023 Bathalad-Sugbo Creative Writing Workshop, the 3rd Sunday Club National Writers Workshop, and the 23rd Iyas La Salle National Writers' Workshop.

My teaching experience can be considered infant, as I was only exposed to a teaching internship that lasted more than two months at Plaridel National High School in Grade 11 on 21st-century literature of the Philippines and the world.

In a literature-related aspect, I can provide a meaningful discussion from world literature to Philippine literature and regional literature. I will relay my knowledge of creative writing, particularly poetry and fiction, and share my published works with my students to inspire them to write and to become sensitive individuals about the happenings in their place, environment, and selves.

I am sending this letter to apply for a teaching position (part-time instructor). I am looking forward to gaining experience and working with the people who built my educational perspective by giving my assurance in providing global competence and human-sensitive dedication for this noble task.

Sincerely,
