DR. EDGARDO E. TULIN

University President
Visayas State University
Visca, Baybay City,
Leyte 6521-A

Dear Dr. Tulin,

I would like to apply for an available job position as Assistant Professor IV in the Department of Pest Management which commensurate to my degree and qualification.

I graduated with a BS in Biology, MS in Plant Pathology and a PhD in Entomology. My experience and knowledge in the field of Plant Protection, Plant Pathology, Entomology, Weed Science, and Microbiology will be of great importance especially in carrying out my duties as an assistant professor if so hired.

As for work, I have been teaching Principles of Crop Protection; Insect Physiology and Toxicology; and Weed-Insect-Pathogen interaction in the Department of Pest Management since 2015. I am also involved as a study leader in several research projects in the department. I can be efficient, dependable, hardworking, output-oriented and trainable.

Enclosed herewith is my curriculum vitae and transcript of records for your perusal. I am very willing to visit your office for an interview at your most convenient time. You can contact me with this number 09758791734 and/or email address len.alde@vsu.edu.ph

Respectfully yours,

Mannylen A. Merioles
