Dear Sir Peque,

I am Lyra Permangel, 24 years old. I obtained my Bachelor's Degree in Forestry at Visayas State University (VSU), Baybay City, Leyte last August 12, 2022. And recently, I passed the Licensure Board Exam for Foresters.

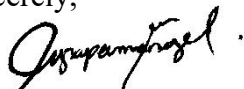

I am writing this to express my interest to apply as an part-time instructor at the Department of Forest Science. I would like also to undertake this opportunity to further develop and apply my skills and experiences I've learned in school and contribute it to the accomplishment of the department.

I have acquired variety of experiences that I believe that it would be useful in my teaching career as well as on the school. During my undergraduate thesis, I was experience conducting field research study. We collected necessary data and identified forest trees. Also, I helped and assist my classmate in conducting community organizing in her thesis study, we conduct an interview to all the farmers residing at barangay where she assigned. I also experience doing a Focused Group Discussion (FGD) to the selected farmers participant. And we also do minor field practice/ OJT experience inside the campus like tree nursery activities, tree inventories and avifauna observations. I can also make technical reports and other necessary documents.

For additional details regarding my qualification and expertise you can email me at lyrapermangel19@gmail.com or contact me through this number [+639465270253](tel:+639465270253).

Thank you for taking time to consider my application and I look forward to hearing from you.

Sincerely,

LYRA G. PERMANGEL
