**The Chairperson**

Department of Mathematics  
Visayas State University  
Visca, Baybay City, Leyte

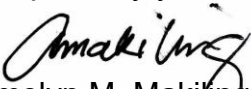

Dear Sir/Ma'am:

I am writing to express my interest in a faculty position in the Mathematics Department of Visayas State University. I hold a Master's degree in Education with a specialization in Mathematics and have teaching experience at both secondary and tertiary levels. From 2020 to 2025, I served as a diligent part-time instructor at Southern Leyte State University – Hinunangan Campus, where I taught various mathematics subjects, including Calculus. These experiences have honed my ability to deliver effective instruction and to foster students' analytical thinking and problem-solving skills.

I am eager to contribute to the University's pursuit of academic excellence by bringing my expertise, passion for mathematics, and strong commitment to student success. I am confident that my background and dedication will allow me to be a valuable addition to your department.

Thank you for considering my application. I would be grateful for the opportunity to discuss how I can be of service to the Mathematics Department.

Respectfully yours,

Amelyn M. Makiling
