MARISEL A. LEORNA

Center Director
National Coconut Research Center
Visayas State University
Visca, Baybay City, Leyte

Dear Dr. Leorna;

I am writing to you that I am willing to apply for the position as Associate Professor. I am Jofil Alao Mati-om, a graduate of BS in Agriculture major in Plant Protection specializing in Plant Pathology and MS Degree in Plant Pathology (Molecular Plant Pathology) cognate in Extension in Visayas State University (VSU) Baybay City, Leyte. I am not a licensed agriculturist, but willing to take the licensure examination this coming November.

In addition, I have also attended several trainings, seminar, conferences and, symposium locally and nationally. As for extensive research, I have work on several projects on molecular detection of several plant pathogens and evaluation of resistance for selected crops.

Herewith I attach my application letter, curriculum vitae and credentials. If you could consider my application, it would be nice if I could talk to you directly so that I am able to explain how I would be an excellent asset for your institution.

Thank you for your time and hoping for your consideration of my application.

Sincerely,

Jofil A. Mati-om
