

REMIGIO MIGUEL M. TAMPIPI

Geodetic Engineer

0938-036-4324

remigiomigueltampipi@gmail.com

Cuatro de Agosto, Mahaplag, Leyte

SUMMARY STATEMENT

I am dedicated and a results-driven person with strong commitment to my job. Known for my ability to learn quickly in both practical and theoretical skills. I am also known to finish my tasks on or ahead of time. I am open minded and willing to admit and learn from my mistakes.

EDUCATION

Bachelor of Science in Geodetic Engineering
Eastern Visayas State University
2019-2024

SKILLS

AutoCAD
Google Earth
Google Workspace
Microsoft Office
QGIS

EXPERIENCE

One month as a Geodetic Engineer under the Department of Agrarian Reform Leyte - Biliran

OBJECTIVE

To attain higher level of competence in my field. To gather more experience and improve my expertise. Contribute something for the development of our society. Share all I know to those around me for the betterment and success for myself, my teams, and for the company.
