Dear Dr. Quevedo,

I am FREIDRICH TAFALLA BEJAR, a graduate of BS in Chemistry from the Visayas State University last June 2019. I would like to express my interest in pursuing my career in the academe. I would like to apply for the position of Instructor I or any positions you might find my qualifications fit.

I am writing you this letter to formally introduce myself as an applicant. If given the chance to be part of your academic team, I will do my best to have good contributions to the students and to the school. I would take this opportunity to develop my expertise in the field, also to fulfill my advocacy in good science communication.

Attached to this letter are some of my documents that you might find helpful. I hope this letter finds you well. Thank you for your time and consideration. I hope to hear from you soon.

Sincerely,

Friedrich T. Bejar
