Dear Madam,

I am expressing my interest in applying as Administrative Officer I (Supply Officer I).

I do have a work experience in the BPO industry. The first 6 months were last 2022 were in a work- from-home set-up and more focused on talking with the customer through calls. computers. The second experience I had was this year, still in the BPO industry and it was as a Special Project Associate. This job focused more on handling client's emails and transferring data to Microsoft Office applications such as Word and Excel.

My latest job was as Statistical Researcher/Enumerator under Philippine Statistic Authority and focused on interviewing people. It is a contract service that will ended last September 15.

I look forward to the opportunity to further discuss how I can contribute to the success of your project. Thank you for considering my application.

Warm regards,

Faith Angelyn O. Gepiga
