Dr. Robelyn T. Piamonte, PhD.

Head, Department of Pest Management
Visayas State University
Visca, Baybay City, Leyte, 6541, Philippines

Dear **Dr. Piamonte**,

I am writing to express my interest in Instructor I (Part-Time) position at the Department of Pest Management at Visayas State University. With a Bachelor's Degree in Agriculture majoring in Plant Protection and specializing in Weed Science, I am confident that my academic background and skills make me a suitable candidate for this role.

Although I do not have direct experience in teaching, I have honed my communication skills through my one-year experience in a BPO company. This experience has equipped me with the ability to effectively convey information and engage with diverse audiences. I believe that effective communication is essential in teaching, and I am committed to applying these skills in an educational setting.

Furthermore, my academic background in plant protection has provided me with a solid foundation in the field. The knowledge and understanding that I have gained through my studies have prepared me to contribute meaningfully to the Department of Pest Management. I am eager to share my passion for plant protection with students and to inspire them to excel in this important area of study.

I am enthusiastic about the opportunity to join the esteemed faculty at Visayas State University and contribute to the academic community. I am confident that my unique combination of skills and knowledge make me a valuable addition to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my background skills, and enthusiasm align with the needs of the Department of Pest Management. Please find my resume/cv attached for your review.

Sincerely,

Rodglen P. Alibio
