Dear Ma'am/Sir,

I am Migui Carl M. Esperanza, a fresh graduate from Visayas State University Main Campus- Visca, Baybay City, Leyte. I am writing this letter to apply for the vacant position posted indicating the need of a Science Research Aide.

I am very much willing for the position, I graduated last August 2023 with a course program of Bachelor of Science in Agriculture major in Agricultural Extension. With this knowledge that I have attained, I am confident that I can work on both field and office set up and accomplish my task in no delay and redundant quiry. I have backgrounds in fieldwork, not to mentioned Ive been assigned in government agency DA which job usually involves around meeting with people, organizing meetings and do site survey in some government proponent projects such as PRDP (Philippine Rural Development Project) in Hilongos Municipal Agriculture Office. I have also conducted several trainings in my academic subjects such that training workshop for certain associations and the like. In line with my study, my thesis focuses on evaluation and monitoring of government implemented programs here in Baybay.

With my bachelor's degree in agricultural extension, I have comprehensively understand the importance of extension education in promoting agricultural technology to alleviate the condition of our agricultural sector in the Philippines and globally. With this knowledge, I am confident that I can teach my aspiring agricultural extension student in the most comprehensive and effective way in delivering the lessons prescribed in the course subject.

I am applying for this position for a greener pasture and to support my family, poverty and hardships have striked me down so badly in return the current of willingness and perseverance to land a job is urging.

Thank you for the time and consideration, looking forward to speaking with you about

this employment opportunity.

Sincerely,

MIGUI CARL M. ESPERANZA
