Dear Ma'am Mary Ann Cobico,

I am writing to express my sincere interest in renewing as a Part- Time Philosophy Instructor at Visayas State University. It has been a privilege to contribute in the university's esteemed tradition of academic excellence and intellectual growth.

I earned my Bachelor of Arts in Philosophy from Saint Joseph College at Maasin and currently pursuing a master's degree at the University of San Jose—Recoletos in Cebu, where I immersed myself in diverse philosophical traditions and honed my critical thinking skills, fostering a deep appreciation for the transformative power of education and inspiring my pursuit of a teaching career. I also have a one-semester service teaching experience in our own beloved department—the Department of Philosophy and Social Sciences (DPSS). My strengths lie in my ability to articulate complex ideas with clarity, my enthusiasm for encouraging thoughtful and inclusive discussions, and my commitment to ongoing personal and professional development.

I approach this opportunity with humility and a willingness to learn from your distinguished faculty and students. I am confident that the skills and perspectives I have earned from my studies, together with my commitment to the craft of teaching, will enable me to make a meaningful contribution to your department.

Sincerely,
John Lloyd B. Goyo
