## OBJECTIVE

I graduated from a two-year course five years ago. I was once a sales clerk, graphic designer, and machine operator for 4 years and an account officer for almost 9 months in a microfinance company. At the moment, I recently graduated with a bachelor's degree seeking for opportunity where I can gratify with and maximize my knowledge and skills and experience. I will be able to apply my coursework in a professional industry setting and work with other professionals to improve my skills as an educator which will allow me to further contribute in the field of education.

With strong verbal and written communication and creative at involving and motivating students of all ability levels. Effectively relates to the learners' diversity and tailors teaching methods to suit their individual needs. Proficient in Microsoft office and knowledgeable in graphic design.
