Dear Ma'am/Sir,

I am writing to express my interest in the position of **Farm Worker** at Laboratory High School, as advertised. With a strong work ethic, a willingness to learn, and a genuine interest in agriculture, I believe I would be a valuable addition to your school.

I have experience in planting, harvesting, animal care, machinery operation, etc. and I am comfortable working long hours outdoors in various weather conditions. I am physically fit, dependable, and able to follow instructions and work both independently and as part of a team.

Working on a farm has always appealed to me because it allows me to stay active, contribute to food production, and learn hands-on skills. I am eager to grow in this field and am open to training or any tasks assigned to me.

Thank you for considering my application. I would be happy to discuss how I can contribute to your farm in an interview. I am available at your convenience and can be reached at 09639607615 or crissantocabillo853@gmail.com

Sincerely,

Cris Santo Mascariola Cabillo
