Hi Good day Maam/Sir,

I am Mark Joshua Quevedo and I have read a job vacancy for a Education Research Specialist II position posted in the Visayas State University website. I graduated last 2012 as BS Computer Science here in VSU and units in MS Information Technology in USC before graduating MS Agronomy in 2018 at VSU.

I have worked as an Editorial Assistant for the Annals of Tropical Research for three years from 2013-2016 under Dr. Victor B. Asio and currently, I work as an IT Specialist in the Office of the Graduate School in Visayas State University for almost two years. I am also a civil service eligibility passer (professional level) which I have taken last 2014.

I would be grateful if you would add my name to your pool of potential job candidates. Please let me know if I can provide you with any further information. You can reach me through my cellphone number at 09464729894

Thank you for your time and consideration, and forthcoming response.

Sincerely,

Mark Joshua Quevedo
