Dear Dr. Abela,

Greetings of Peace!

I want to express my intent to apply as a PE/ MAPEH Instructor at VSU Integrated High School as advertised in their Facebook Page. I recently graduated Bachelor of Culture and Arts Education (Cum laude) from Visayas State University-Baybay, now a MAPEH LET passer, and I am eager to begin my career in education in VSU.

While I do not have direct teaching experience, my academic background has provided me with a solid foundation in MAPEH subjects. During my studies, I have developed passion for sharing expertise, experience and knowledge to students. In addition to my academic qualifications, I have gained practical experience through my teaching internship at Baybay National High School. Since I am a Culture and Arts teacher, I handled SPA students but I taught MAPEH subjects. These experiences have equipped me with strong organization, communication and adaptation skills, which is essential for effective teaching and prepared me well for the challenges and responsibilities of a teaching role.

I am particularly drawn to VSU Integrated High School because of its commitment to offering a quality teaching and learning environment. I am eager to contribute to these efforts and make a positive impact on students in VSU Integrated High School. I am excited to bring the opportunity to bring my enthusiasm for MAPEH and my passion for fostering a supportive learning environment to your school. I hope you will give me a chance to be part of your growing team.

Please see my resume, which provides additional details about my education and relevant experiences. I would welcome the opportunity to discuss how my skills and enthusiasm align with the needs of the VSU Integrated High School. Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to your school community.

Sincerely,
