**Letter of Intent**

June 25, 2024

**ROTACIO S. GRAVOSO**

Vice President for Academic Affairs

VSU Baybay City

Baybay City, Leyte

**EUSEBIO R. LINA JR.**

Department Head

Department of Mathematics

Visca, Baybay City, Leyte

Dear Sir,

Good day!

I'm writing to express my interest in applying for the part-time instructor teaching position in the mathematics department at Visayas State University for the 2024–2025 academic year. In order to improve the effectiveness and capabilities of the students, I am eager to share the knowledge I have acquired.

Having completed my secondary education bachelor's degree with a major in mathematics and receiving excellent grades in all major areas, I am a Licensed Professional Teacher. My ability to organize learners and manage classroom management was sharpened by my on- and off-campus training, as well as my two years of experience teaching in private schools, St. Teresa School in Hilongos Leyte and St. Peters College in Ormoc City. My experience as a teacher has shown me how important education is in preparing young people for success via morality. In each pupil, I want to inculcate love, education, and a never-ending quest for knowledge.

Attached herewith are pertinent papers for your perusal and evaluation. I hope you find my education and experience worthwhile as a possible candidate to be a molder of today's youth.

I sincerely hope that my application will be taken into consideration. I would appreciate the chance to meet with you and talk more in-depth about how I can support the success of the education your university offers going forward. Please feel free to call me at the given number. I would be happy to come for an interview at your earliest convenience. Thank you, and please know that I will be fully competent and committed to this admirable role in the interim. More power and blessings from God!

Respectfully yours,

ANTHONY M. ZURITA
