*Dear Maam Colis,*

Greetings!

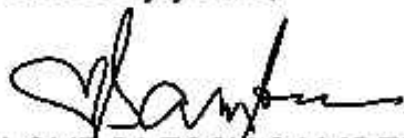

I'm Love Blessy Sambere, 22 years old graduated last June of 2019 from Visayas State University with a degree of Bachelor of Science in Agriculture major in Plant Pathology. I would like to apply in the position of an Administrative Aide III your institution as I am very interested and keen in helping the school to have a smooth and good rapport between the students and the school.

Hope the skills and knowledge I have gained will help me to be a qualified applicant even though I just recently graduated and with no experience.

I am really interested to be of service in your highly respected institution and very willing to come for an interview anytime convenient to you.

Thank you so much.

Sincerely yours;

**LOVE BLESSY SAMBERE**
