Dear Ma'am Lilian,

I am writing to address the performance rating requirement for **Science Research Specialist I** position.

As a recent graduate of **Visayas State University-Main Campus**, Visca, Baybay City, Leyte, I currently do not have a professional performance rating. It was also stated in the job posting that the minimum requirement for Science Research Specialist I does not required experience. However, I am eager to apply my academic knowledge and enthusiasm and gain practical experience and demonstrate my capabilities in a professional setting. I believe that my educational background and dedication will enable me to fulfill the duties of a Science Research Specialist.

Thank you for considering my application. I look forward to the possibility of contributing productivity and excellence to your office and I am excited for the opportunity to work with your team.

Sincerely,

ENGR. IAN LEMAR G. MACAUBA
