Department Head
Department of Mathematics and Physics
Visayas State University
Visca, Baybay City, Leyte

Sir:

Greetings!

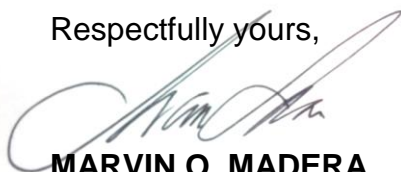

I am MARVIN O. MADERA, 43 years old, married, resides at Malayo Norte, Cortes, Bohol, a graduate of Bachelor of Science in Civil Engineering from Central Visayas State College of Agriculture, Forestry and Technology – Tagbilaran City Campus (CVSCAFT – TCC) last March 2001. I graduated with above average scholastic record.

It is my intent to apply for a teaching position and has always been my desire to have a privilege to be a part and to work in your respectable institution. I would like to apply as a part - time Instructor.

My previous work experience is at Feed the Children Philippines Inc., a non government and non profit organization. I was assigned as field technician and part of my work there are community involvement activities and office works. I was also assigned as a Building Administrator at Alturas Supermarket Corporation and a Census Area Supervisor at the National Statistics Office Bohol Branch. I have been teaching for the past thirteen (13) years in Bohol Island State University - Main Campus (BISU-MC) and have been more proficient in my field of specialization.

For further information, I also send herewith my personal data sheet.

Respectfully yours,

MARVIN O. MADERA
