

Enrico Bargamento

Part-Time Instructor

To secure a part-time instructor position at Visayas State University, where I can leverage my passion for teaching and my expertise in Social Science to inspire and educate students. With a commitment to fostering an engaging learning environment and promoting critical thinking, I aim to contribute effectively to the University's academic community while further developing my teaching skills and professional growth.

Experience

2023

Visayas State University-Integrated High School

Teaching Internship

Engaged in a comprehensive teaching internship, collaborating with experienced educators to plan and deliver engaging lessons. Adapted instructional techniques to cater to diverse learning styles while integrating technology for enhanced learning experiences. Fostered an inclusive classroom environment, effectively communicating complex concepts and receiving positive feedback from both students and mentors. Contributed to extracurricular activities aimed at holistic student development.

2022

Visayas State University-Integrated High School

Field Study 1&2

Engaged in an immersive field study experience, gaining practical insights into real-world applications of teaching Social Studies. Collaborated with professionals and observed hands-on operations, deepening understanding of key concepts. Applied theoretical knowledge to solve practical challenges, contributing to efficient and holistic learning.

2019

Bato Leyte Municipal Registrar

Work Immersion

Participated in an immersive work experience within the Municipal Registrar's office, gaining practical insights into administrative and regulatory functions. Assisted in vital record management, documentation, verification, and citizen inquiries, enhancing organizational and interpersonal skills. Collaborated with a diverse team to ensure accurate and efficient public service delivery. Contributed to maintaining the integrity of municipal records and played a pivotal role in fostering community trust.
