W			Withdrawn
NC			No Credit
INC			Incomplete

One unit credit is one hour lecture or recitation each week for a total of 18 weeks in one semester. Three hours of laboratory work, drafting, shopwork, or field work each week is equivalent to one unit of credit.

The semestral average grade of a student is obtained by multiplying the number of units assigned to a course by the grade earned. The sum of the products is divided by the total number of units earned by the student for the semester.
