Dear Department Of Education and Extension:

I am writing this letter in response to the job post in jobs.vsu.ph looking for an Instructor I. I am very excited and interested in applying for a teaching position in my beloved department. I finished my bachelors' bachelor degree in Development Education major in Agricultural Extension last June 2019 and I obtained a 21- unit supplemental subjects for teaching education in the following year at Franciscan College of the Immaculate Conception (FCIC) Baybay City, Leyte

I was an ESL (English as a Second Language) teacher and I've been working with diverse learners for almost 5 months. And as an DevEd graduate, I am well equipped and furnished on how to teach effectively and efficiently. I believe my profile will fit to the said position.

I've enclosed my resume for further review. It would be a privilege to discuss the Instructor I position in more details soon. Thank your time and I'm looking to hearing from you.

Sincerely,

Jen G. Mendez
