**DR. TEOFANES A. PATINDOL**

Director, Institute of Tropical Ecology and Environmental Management  
Visayas State University  
Visca, Baybay City, Leyte

Dear Sir,

Good day!

I am writing to express my interest in the Part-Time Instructor position at ITEEM. As a graduate with a Bachelor of Science in Environmental Science, I am eager to continue sharing my knowledge and passion for environmental conservation with students. If accepted, this would be my fifth semester as an instructor, and I am excited about the opportunity to further contribute to your institution's mission of fostering environmental awareness and education.

Over the past four semesters, I have had the privilege of teaching several environmental science courses, where I've developed a strong ability to engage students, foster critical thinking, and create a dynamic learning environment. My experience has allowed me to refine my teaching approach, balancing theoretical knowledge with practical applications, and adapting to the diverse needs of students. I am confident that my background and enthusiasm will allow me to make a positive impact in the classroom.

I look forward to the possibility of joining the wonderful team again and contributing to the growth and development of your students. Thank you for considering my application. I am happy to provide any additional information or discuss my qualifications further at your convenience.

Very yours truly,

  
Jannelle G. Asombrado  
Applicant
