Skills

Scientific Communication, Public Relations, Experienced Youth Leadership Trainer, Ecological Survey & Fieldwork, Basic QGIS Mapping, Academic & Laboratory Instructor, and Scientific Research.

Experiences

Visayas State University / Instructor

SEPTEMBER 2023- DECEMBER 2023, BAYBAY CITY

Handled courses in the Department of Biological Sciences, namely: General Zoology; Fundamentals of Zoology; Botany; Marine Ecology; and Science, Technology & Society.

Philippine Red Cross - Southern Leyte Chapter / Board Member

OCTOBER 2020 - PRESENT, ABGAO, MAASIN CITY, SOUTHERN LEYTE

Appointed as the youngest board member representing the youth council after being elected as the Chapter Youth Council President.

Red Cross Youth - Southern Leyte Chapter / National Trainer

DECEMBER 2021- PRESENT, SAN REMEGIO, CEBU CITY

Appointed as National Trainer of the Red Cross Youth - Southern Leyte to enhance the leadership profile of youth leaders in the province and the whole Visayas.

Cuatro Islas Protected Landscape and Seascape- CENRO / Intern

JULY 11, 2022- AUGUST 12, 2022, CUATRO ISLAS, INOPACAN, LEYTE

I was deployed in Cuatro Islas, Inopacan, Leyte to assist the team in conducting seagrass assessment, and corals in the protected areas of the islands. I also experienced insight in management conservation during the 150-hour training.

DILG Summer Job Program / Administration Secretary

MARCH 2019- MAY 2019, MAASIN CITY, SOUTHERN LEYTE

Assigned to the Philippine Red Cross-Southern Leyte Chapter by the DILG. I improved my communication and leadership skills where I was able to head the secretariat team for an event (Red Cross Summer Youth Camp). Furthermore, I gained insights in handling a team, working with different people, and enhanced administrative work.

Education
