Dear Dr. Quebec:

Greetings!

I, the undersigned am genuinely interested to renew my application as a Part-time Instructor in the Department of Liberal Arts & Behavioral Sciences (DLABS); after I learned from the university's job portal that the department needs manpower for the First Semester AY 2022-2023.

I had been employed in the DLABS as a faculty member for three consecutive semesters. Indeed, I gained meaningful teaching experiences that have fostered my sense of professionalism. I encountered learners with diverse personalities, learning habits, and multiple intelligences through online teaching of language, humanities, and social science courses. Whilst it is true that some of them do excel, others need scaffolding to absorb the lessons along with the pedagogical approaches and methods introduced in the concurrent new normal education. The latter made me believe that my teaching competence and expertise can be of great contribution to the department. Thus, I am grateful for having served the VSU community and am more willing than ever to continue my teaching journey.

Should you consider that my qualifications merit your standards, you can reach me through this contact number +63 970 060 9755.

I look forward to hearing from you soon.

Sincerely,

MARICAR M. LAUSE
