👤 PROFILE

An organized professional with proven teaching, interpersonal, and communication skills. Skilled at communicating complex information in a simple and entertaining manner. Looking to contribute my knowledge and skills in a university that offers a genuine opportunity for career progression.

💼 EMPLOYMENT HISTORY

Science Research Analyst at PhilMech, Brgy. Balinsasayao, Abuyog, Leyte
January 2020

I am currently designated as the Provincial Focal of Leyte in Region 8 of the Visayas Cluster under the RCEF Mechanization Component Program. My fieldwork focuses on the validation, evaluation, and monitoring of farmer's association and/or cooperatives (FCA) in every municipalities in the province of Leyte. I also experienced conducting training courses in which the participants are the farmers itself and in conducting and organizing turn-over ceremonies of rice machineries in different areas of region 8.
