To whom it may concern,

I am writing to express my enthusiastic interest in the University Instructor position at Visayas State University, as advertised. While I may not have formal teaching experience, I am eager to bring my English Language Studies degree in the field and my passion for Language Acquisition and Development to your esteemed institution.

I recently graduated as Magna Cum Laude at Polytechnic University of the Philippines. My academic background has equipped me with a strong foundation in the field, and I am excited about the opportunity to share and cultivate this knowledge with students at Visayas State University. I am committed to creating an engaging and inclusive learning environment that fosters curiosity and critical thinking.

Although I am a recent graduate, I have honed valuable skills in research and discourse analysis during my academic pursuits. I am dedicated to continuous learning and adapting my approach to effectively convey complex concepts to students. I am particularly attracted to Visayas State University because of its commitment to research, diverse student body, and innovative teaching methods. I am confident that my passion and my eagerness to contribute to the academic community make me a strong fit for this position.

Enclosed is my resume, which provides more information about my educational background and skills. I am available for an interview at your convenience and would welcome the opportunity to discuss how my enthusiasm and commitment align with the goals of the university.

Thank you for considering my application. I look forward to the possibility of contributing to the academic excellence at Visayas State University.

Sincerely,
