DR. PROSE IVY GUASA YEPES
University President
Visayas State University
VisCa Pangasugan Baybay City, Leyte

Dear **Dr. Yepes**:

With great adulation and deference!

I want to convey my sincerest desire to apply as **Assistant Professor I** in your institution. I believe my educational background and experiences have equipped me to best fit the possible position.

I am a graduate of **Doctor of Veterinary Medicine** at Visayas State University. I am a licensed Veterinarian with more than 5 years of clinical experience.

Currently, I am connected with PetSure Inc. as Fast Track Claims Specialist in a remote work setup where I am working with veterinarians from Philippines, United States and Canada.

In addition, I have previously worked with colleagues in Leyte, Batangas, Laguna and MIMAROPA. During my years in practice, I was responsible for performing medical diagnosis and treatment, conducting veterinary lectures and establishing overall clinic management protocols. I was trained to uphold the values of strict discipline, patience and perseverance.

From all of which I have gained practical knowledge and experiences in the field of instruction, research and veterinary medicine.

I believe my academic training and work experiences have prepared me to be a competent instructor in your institution. Thus, rest assured that I will use all my knowledge and skills, given the opportunity to be hired as faculty.

I will be much honored to be scheduled for an interview, anytime convenient to you if deemed necessary to prove my worth for the position I am applying for. I have enclosed my pertinent documents for your perusal.

Thank you for giving this letter your utmost attention and consideration.

Respectfully yours,

CAMILLE RESMA ENRIQUEZ, DVM
