About Me

- Passed the Geodetic Engineer Licensure Examination 2021 with an average of 83.2%.
- Highly trainable, can thrive under demanding environment and has great communication skills.

Experience

Lucero Surveying Office, 2018

On-the-job Trainee

As an on-the-job trainee I was able to experience working both on field and post survey works. Our field work included relocation, subdivision and consolidation -subdivision surveys. Meanwhile, our office works included making sketch plans and vicinity maps, working with AutoCad and Esurvey and preparing all the necessary documents for survey approval.

Department of Agrarian Reform, 2022

SPLIT Program-Geodetic Engineer

As a geodetic engineer under the Support to Parcelization of Land for Individual Titling (SPLIT) Program of DAR, I was able to experience working with programs such as AutoCAD, Google Earth, Global Mapper and Oruxmaps. I was able to overlay Collective Certificate of Land Ownership Award (CCLOA) awarded lands to Google Earth to estimate its actual location. I also made sketch plans from CCLOAs and made a proposed subdivision plan of the said lots. I was also exposed to land conflicts regarding lands awarded under Land Reform and was able to help the Agrarian Reform Beneficiaries to better understand their land rights.

Solar Surveying Corporation, 2022

Geodetic Engineer

As a geodetic engineer employed under Solar Surveying Corporation my main role was tracing up lands affected by road widening and bypass projects. After which, I would determine the area affected by road widening or bypass and then generate documents necessary for survey returns to be submitted for approval.

Education

2015-2020

Visayas State University
Bachelor of Science in
Geodetic Engineering

President of Geodetic Engineers of the Philippines VSU
Student Chapter (2017-2018)

2011-2015

Saint Francis Academy

Graduated Salutatorian of Class 2015
President of Student Body Organization (2014-2015)

2005-2011

Balamban Central Elementary
School

Graduated Second Honorable Mention
President of BCES Pupils Government (2010-2011)
