DR. TEOFANES A. PATINDOL

Director

Institute of Tropical Ecology and Environmental Science

Visayas State University – Main Campus

Visca, Baybay City, Leyte

Greetings!

Please consider this letter as a sincere expression of my intent to apply for a part-time instructor position that is currently available at your institution. With a strong academic background and relevant teaching experience, I am confident in my ability to make meaningful contributions to your institution's academic mission.

I hold a Master of Science degree in Tropical Ecology from Visayas State University – Main Campus and a Bachelor's degree in Secondary Education, major in Biological Sciences, from Leyte Normal University. My postgraduate training has equipped me with a deep understanding of ecological principles, research methodologies, and current environmental issues.

In addition to my academic background, I have gained valuable teaching experience as a Part-Time Instructor at the Department of Biological Sciences and the Institute of Tropical Ecology and Environmental Management at Visayas State University – Main Campus. This role has enabled me to develop engaging lesson plans, facilitate laboratory and fieldwork activities, and assess students effectively—all while creating a positive and interactive learning environment.

I am passionate about inspiring students to appreciate science and its relevance to everyday life. I strive to cultivate scientific curiosity and critical thinking by incorporating real-world examples and interdisciplinary approaches into my teaching.

I would be honored to bring my dedication, knowledge, and experience to your institution. I welcome the opportunity to discuss how I can contribute to your faculty. Thank you for considering my application.

Sincerely,

AMPARO CHRISTINE A. MEJICA
