To whom it may concern,

Greetings of Peace!

I am writing this letter to express my great interest to teach in Visayas State University. Having obtained my Bachelor's Degree in Psychology in the University of San Carlos with the distinction of Magna Cum Laude and my Juris Doctor degree from the University of Cebu School of Law, I believe that I would be capable as one of your professors and contribute greatly to your institutional vision, mission, and goals.

As a lawyer, a registered psychometrician, and a teacher with almost six long years of experience in teaching, I am hoping that I would be a great addition to your faculty. I am ready to face the new challenges awaiting if you would give me the chance.

At the moment, just obtained my Certificate in Professional Education in Cebu Technological University and eventually will be preparing to earn my license as a professional teacher. Further, I am currently taking my master's degree in guidance and counseling to better equip myself as an educator while serving the Philippine Coast Guard as one of its legal officers.

I am looking forward to hearing from you. Thank you and God bless!

Sincerely,

Atty. Jason E. Origenes, RPm
