

Maypatag, Baybay City  
Leyte, Philippine

Dear Sir,

Good day!

I am Marinelyn Valenzona Bigcal, a 32-year old. I resided in the Philippines province of Baybay City, Leyte. I have a daughter from my long-term partner, but I am not married. At Visayas State University in the Philippines, I earned a Bachelor of Agriculture degree with a major in Horticulture.

I gained experience in my initial job as a project field enumerator from the Department of Trade and Industry. I mainly performed surveys and interviews with farmers in certain communities in Southern Leyte, Philippines. While obtaining my degree, I also gained practical experience at Casa Cornelio Farmtech's farm. I additionally participated in agriculture-related trainings to gather more knowledge and skills that will help to nurture my capabilities as a future agriculturist.

I am currently finish CASH-FOR-WORK program for 50 days under KALAHI-CIDSS PROGRAM organized by DSWD REGIONAL, assigned at LGU-BAYBAY City of Agriculture under at rice sector supervise by Mam Myrna B. Albuera. By the end of our contract I am seeking for any job that would allow me to support my family while also providing me with new experiences that will broaden my knowledge and skill set.

Despite my lack of expertise in the abaca sector I would like to apply for any position with your organisation. Although I have prior experience in laboratory with great assurance, I always put my best efforts to get the job done but in an efficient manner. I believe that my experience studying agriculture developed my ability and expertise in adapting to and learning how to handling in any activities and work in the field where I would be assign.

As someone who interested in working, I sincerely hope that you will take a time lookover in my information.

I hope my qualifications are sufficient, and I look forward to hearing back favourably..
