Dear Ma'am/Sir:

I am writing to express my interest in the part-time instructor position in the Department of Philosophy and Social Sciences at Visayas State University. I am a graduate of Bachelor of Secondary Education Major in Social Studies, and I am eager to contribute my knowledge and skills to your esteemed department.

During my academic career, I have developed a solid foundation in Social Studies education through both coursework and practical teaching experiences. I have completed my practice teaching at Baybay National High School, where I designed and implemented lesson plans, conducted assessments, and utilized various teaching strategies to engage students and facilitate their understanding of complex social studies concepts. My experience has equipped me with the ability to create an inclusive learning environment that caters to diverse learning styles and needs.

My involvement in extracurricular activities, such as journalism, pageants, community symposium, and various donation drives has honed my leadership, communication, and organizational skills. These experiences have also provided me with a broader perspective on the social sciences, enabling me to approach teaching with a well-rounded and informed viewpoint.

I am particularly drawn to Visayas State University due to its commitment to academic excellence and its focus on fostering critical thinking and social responsibility among students. I am excited about the opportunity to contribute to this mission by providing high-quality instruction and supporting students in their academic and personal growth.

I am looking forward to the opportunity to discuss how my background, skills, and enthusiasm can be in line with the goals of the Department of Philosophy and Social Sciences at Visayas State University. Thank you for considering my application.
