**SANTIAGO T. PENA JR.**  
Dean, College of Veterinary Medicine  
Visayas State University  
Visca, Baybay City, Leyte

Greetings!

I've recently discovered that a part-time Instructor post has become available. It is with great interest that I am sending this letter, together with the enclosed resume, to serve as my application, for the said position available, in the hopes of joining the College of Veterinary Medicine–Visayas State University.

I am a graduate of Visayas State University and recently passed the Veterinary licensure exam last September 2022. As a Veterinarian, I have received relevant experience from training- as part of the University's internship programs; and also from some private employments.

It would be a great privilege to serve our fellow Viscans. I hope that my high affinity for animals, strong sense of camaraderie, perseverance to fulfill the job requirement, and good communication skills will have a significant contribution to the College of Veterinary Medicine.

I am looking forward to hearing from you and discuss my qualifications in more details. You can reach me in my mobile number: +63 947 253 8342 or email address: [chanarcelo@gmail.com](mailto:chanarcelo@gmail.com). Thank you and have a great day!

Sincerely yours,

CHRISTIAN C. ARCELO, DVM
