Engr. Epifania G. Loreto
Department Head
Department of Civil Engineering
Visayas State University
VisCA, Baybay City, Leyte

Good day!

I am pleased to apply as instructor in Department of Civil Engineering, Visayas State University.

My earnest desire to work in my beloved alma mater and be part to the success of future engineers as well as to the university. I will incorporate all the learnings I've learned from this university and also some knowledge I gain from my previous work.

I will try my very best to assure you that I would work with my sincere dedication that will mold my desire in teaching.

I herewith attached my resume and TOR for your kind reference and I hope for positive reply from you.

Thank you for your consideration.

Truly yours,

Engr. Beatriz Nicolle A. Oppus
