Dear Ma'am/Sir;

I am excited to be applying for a teaching position at your office. As someone who loves education, I believed that my enthusiasm makes me a perfect fit to serve as one of the faculty in your department. This is the perfect opportunity for me to continue my professional development as an educator. I believe that my experience and passion for teaching would be an ideal fit for a position with specialization in Agribusiness Management/Business Management.

I have been a classroom teacher for the past 4 years in tertiary level. I enjoy the challenge of teaching students academically as well as helping them to thrive socially. I have attended trainings and seminars which are of relevance in the field of Agribusiness. I also graduated from my master's degree which I gained more learnings that will be significant in my teaching career.

Thank you for considering me for this position, and I hope that my accompanying documents will give you a better sense of the type of teacher I am. I look forward to sharing with you my teaching philosophy while learning more about this job opportunity. I am a committed lifelong learner and I will continue to grow as a teacher and in my knowledge of subject matter throughout my time at your school.

Sincerely,

Dianne M. Dalin-as
