

APPLICATION LETTER

Dear Sir/Ma'am,

This letter is to express my interest in applying for the position of being Filipino teacher in your respected educational institution. I earned my Bachelor's Degree at **Franciscan College of the Immaculate Conception Baybay City, Leyte**. I took up Bachelor of Secondary Education Major in Filipino, and graduated in year 2020.

During my internship at FCIC, I was assigned in grade 7 level, and for the outside the campus I was deployed at brgy. Plaridel National High School, particularly in grade 8 and grade 9 learners.

During this time, I have been fully realized how vital education is as the foundation of the young learners to achieve success.

I believe that in my instructional abilities I will be able to impart some knowledge and skills for the young learners, and combined with my work, ethics, and passion for teaching I can help and educate young learners to be responsible and good citizen in the future.

Furthermore, I have been accomplished and finished my studies as a working student, from first year up to fourth year college with strong determination and perseverance. And with the desire to be part of teaching profession, I am willing to learn more and ready to be shaped with your institution and really hoping that you will give me a chance to have my first teaching experience in your institution.

Attached in this letter is my resume which you can use for review and references.

Thank you for considering my application.

I am hoping for your favorable response.

Respectfully yours,

Marina O. Caberte
