DR. EDGARDO S. TULIN
President
Visayas State University
Baybay City, Leyte

Sir/Madam:

This letter is in reference to the vacancy in your institution. I was informed by a friend who was also interested in applying for a job.

I have obtained my Degree in Bachelor of Science in Horticulture in Mindoro State University and currently pursuing my Graduate Studies here in Visayas State University. I wish to bring my knowledge, skills and commitment to excellence to your institution's innovative environment. I can work independently or as a team for a best result of our work.

For additional information, please review my attached resume.

Thank you for taking the time to consider this application and I look forward to hear a positive feedback from your institution. God Bless!

Sincerely,

Dyazia G. Mangaya
