

Dr. Jett C. Quebec
Head, Department of Liberal Arts and Behavioral Sciences
Visayas State University
Baybay City, Leyte

Good evening, Sir!

I am writing this letter to apply as one of your Part-time Lecturers. Your school has reputation of academic excellence, and I believe my humble background would make me a valuable addition to your university faculty.

At University of Cebu – Main Campus, I obtained my bachelor's degree in Psychology last 2020. After that, I have been working at City Social Welfare Development of Baybay City – this is my first job experience. Because of serving my workplace, I used to be of service for those drug offenders with the objective of reforming them into self-sufficient and law-abiding members of our society.

I have decided to apply in your respective institution, even though I do not have any involvement in teaching; I believe that this new craft will surely open best opportunities and will add new learnings, since learning is a continuous process. I am very willing and interested to assess the needs of students, which allows understanding the strategies of teaching.

Given my humble experience, I am certain that I would make a positive impact as a part of the professional teaching at Visayas State University. I would love to meet you in person for an interview. You can contact me at 0950-373-4618 or through email at *Btajuda@gmail.com*. Thank you for your time, I look forward to hearing from you soon.

Sincerely,

Bryan Ubana Tajuda
