## WORK EXPERIENCE

### Administrative: Visayas State University - Main April - December 2022

My recent job was on an Income Generated Project of VSU-Main, at the University Review Services (URS) which I facilitate, record transactions communicate with our clients with any complaints and questions, and promoting the service provided by the organization guided with an ISO certified agency.

### Area Sales Manager: Victorias Development and Venture Corporation August - November 2021

Due to Political factors affecting the branch to pull-out, my practice as an Area Sales manager at Borongan ES, contributes to my valuable experience as an area sales manager. I balance accounts, do decision making for business expenses made, conduct investigation and developing plans to fix discrepancies communicates financial status by managerial updates to contribute to the organization's welfare.
