

BAYRON S. BARREDO  
DEAN/DIRECTOR  
VSU INTEGRATED HIGH SCHOOL

Sir,

Greetings of peace and prosperity.

I have read in the VSU job portal regarding your hiring of a part time Filipino instructor. In view of this, with a burning passion to share my knowledge and experiences, I am humbly applying for the said position of part time in your prestigious academic institution. Given my related experience and ample capabilities I would appreciate your consideration for this job.

I am 36 years of age, married and residing at Zone 17, M.L. Quezon St, Baybay City. I completed my Bachelor of Secondary Education major in Filipino degree in 2017 at University of the Visayas and was hired thereafter as a Community Development Assistant II at Department of Social Welfare and Development. After I passed the Licensure Examination for Teachers, I was given a chance as a Substitute Teacher at Rosario National High School and a Filipino and English Teacher in a Catholic private school.

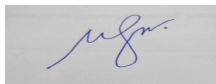

Believing that teachers should engage themselves in a life-long learning, I have decided to start taking my graduate studies in Cebu Technological University Main Campus last August 2019. I am now pursuing Master of Education (major in Filipino)

Experience has taught me how to build strong relationships with any departments at an organization. I have the ability to work within a team as well as cross-team. I believe that your school would give me the opportunity to learn more things in my chosen field and that it would hone my teaching skills further.

Should you have queries or need information, you can contact me at my cellphone number 09306340351 and my email address [utreramariasherin@rocketmail.com](mailto:utreramariasherin@rocketmail.com). I will be available right after you keep in contact with me.

I give you thanks for giving me a chance to serve in your reputed institution.

Very truly yours,

MARIA SHERIN U. PIDO
