This Study Progress Report is printed by the student. No rights can be derived from this overview. For an official Transcript of Records, students can contact the Student Service Centre (ssc@wur.nl).

The report shows the total number of credits obtained per academic year per period. The weighted average is the average grade of all courses in the individual programme for which a grade between 6 and 10 is obtained. The judicium average is calculated differently; the results of theses and internships are excluded. More information about Designation 'cum laude' can be found in the Rules and Regulations of the Examining Board. Courses listed under 'Grades - Other' will not be part of the Diploma.
