CHARIS B. LIMBO - RIVERA

Department Head
Institute of Human Kinetics
Visayas State University
Visca, Baybay City, Leyte

Greetings Ma'am!

I am Joniel P. Casia, a 28-year-old male. I am writing to express my strong interest in applying for the Instructor(part-time) position with a job code (BYDQXS) in your esteemed institution, the Institute of Human Kinetics of Visayas State University – Main Campus. I received my Bachelor of Secondary Education major in Music, Art, Physical Education, and Health (MAPEH) degree from Eastern Visayas State University - Ormoc City Campus in 2019. I passed the Teacher Licensure Examination on September 26, 2021. I am currently processing my admission for master's degree in VSU graduate school.

My actual teaching experience dates back to our practicum in 2019. It's been four years, yet I still employ the teaching strategies I acquired back then in my tutorial services and in my religion's children classes. Despite my lack of teaching experience, I am eager to learn new things and am open to corrections and assistance in order to meet the needs of my students and the institute's goals for its stakeholders.

In addition, I am excellent at speaking successfully with a diverse group of people. I am passionate and open to learning up-to-date information and practices as part of my chosen profession. I want to utilize my skills and expertise in your institute. I believe that my qualifications and experience would make me a good fit for the job. I am looking forward to discussing my credentials with you in greater detail at your convenient time.

For further information, please refer to my attached pertinent papers.

Thank you very much. God bless!

Sincerely yours,

JONIEL P. CASIA
