Dear Hiring Manager:

I am interested in the position as a part time instructor for the Department of Teacher Education posted on jobs.vsu. I graduated last August 12 with degree in Bachelor of Secondary Education , Major in Filipino. The past four years of studying at VSU had made me more knowledgeable and confident when it comes to the field of teaching. In addition to this, my 360 hours of hands-on internship made experience what it is like to be a teacher . I believe that the skills, experiences and my eagerness to learn more makes me a suitable candidate for the position.

Teaching is not just a job, it is a commitment. Wanting to be a teacher ever since in grade school, I can confidently say that my heart belongs to teaching. This is the driving force why I wanted to become a part time teacher at DTE. I wanted to help students reach their full potentials while reviewing for the upcoming 2023 LET at the same time.

I have enclosed my resume and I'd be happy to have an opportunity to demonstrate my teaching skills. My mobile number is +639483142519 and my email address is maryayuban99@gmail.com . Thank you for your time and consideration.

Sincerely,

Mary Ann Ayuban
