WORK EXPERIENCES

October 2017- present

Quality Controller/GAD Staff

Baybay Jackfruit Processing Plant

LGU Baybay

Brgy. Cogon, Baybay, City, Leyte

I'm responsible in ensuring the product processed is hazard free in general (free from physical, chemical and biological hazard). To maintain the quality of products, I performed quality checks from receiving of raw material to finished product and done the monthly inventory. I also supervised the workers, trained and equipped them with the knowledge, techniques and skills about proper food handling. I also conducted moisture content analysis, pH analysis, and test of the sugar content of the raw material using refractometer. I also assist and facilitate trainings and seminars facilitated by Gender and Development (GAD) programs, projects and activities.

July 2016- July 2017

Dietary Staff

Dietary Department

San Carlos City Hospital

San Carlos City, Negros Occidental

Encoded the names, diets of the admitted and discharge patients. And I'm responsible in signing the clearance for those discharge patients.

March 2010- Feb 2015

Food Technologist/ Cafeteria Supervisor

Dietary Department

San Carlos Doctors Hospital

San Carlos City, Negros Occidental

Assist the dietitian. Checked the diets prepared by the food server, done the NGT and stocks inventories. I also supervised the crew at the cafeteria. Ensuring the cleanliness and of course in maintaining the good customer service. I managed myself to be a good leader and model to my co-worker.

March 2004- Feb 2010

Quality Controller

HAV Seasons

Bacolod City, Negros Occidental

Quality checked of the product from receiving to finished product. And checked the workers, punished for those who did not follow the Good Manufacturing Practices and SSOP implemented in the plant. I also conducted trainings about food safety for new workers.

Feb 2002- March 2003

Quality Controller

RGE Agridev Corporation

Brgy. Suba Masulog, Lapu-Lapu City

Done the GMP checklist. Checked the workers before entering the processing area. Quality checked of the product. Record the pasteurization time and temp. Collect samples for laboratory test. Checked the bar code and expiration date.

June 2001- January 2002

Supervisor

Julies Bakeshop

Lapu-Lapu and Cebu City area

I handled 12 branches of Julies Bakeshop under the management of Sir Otep, son of Mam Julie. I am responsible to take responsibility to those critical situations of these 12 branches, maintain the quality and most importantly how to handle customers in different style.
