One collegiate unit of credit is one hour lecture or recitation each week or a total of 18 hours in a semester.
 Three hours of laboratory work, or a shop work each week or a total of 54 hours a semester are regarded as
 equivalent also to one unit of credit.
 The semestral average grade of a student is computed by multiplying the number of units assigned to a
 course by the grade earned and the product divided by the total units earned for the semester.
